AN ODE FOR 2.0

At Autumn House 2.0, the lights dim a little lower, the conversations linger a little longer, and the evenings unfold at their own pace.

This bar menu is a celebration of moments yet to be made — unhurried laughter, familiar faces, first toasts, and stories that grow better with every pour. Each drink inside has been crafted to feel comforting yet bold, rooted in warmth, balance, and character — much like the house that welcomes you in.

Whether you're raising a glass to old friendships, new beginnings, or simply the joy of being present, these spirits are meant to be enjoyed slowly, shared generously, and remembered fondly. Settle in. Take your time.

Good times have a way of finding their home here!

Whether you're here for a quiet drink after a long day or celebrating a moment worth raising a glass to, we're glad you chose to spend it with us. Tell us what you like, take your time, and make yourself comfortable — this is your space as much as ours.

Here's to good pours, warm company, and nights that feel like home.
